Keep your mind upward with a body-friendly posture. Angle-adjustable workstation to support posture and improve well-being.

UPTIS derived from ergonomics and actual situation survey,
A comfortable work desk that satisfy both body and heart.

The tilt angle of the desk top can be adjusted to seven levels.
It leads to a better posture with less load on our body.
Compared to a horizontal desk top, as the screen rises the viewing angle improves thus improve
working angle and the eyes become less tired.
